Hello to everyone as we welcome the official beginning of summer. The Adult Day Program is looking forward to fun filled activities for July such as outside picnics and barbeques.

The Adult Day Program will be joining Trinity Village Long Term Care for a yummy barbeque of hamburgers and tasty salads.

Our exercise program now is mostly outdoors consisting of walking through Trinity's gardens and enjoying the flowers and various vegetables which are growing at a rapid rate.

We will also be walking over to the Trinity Studios and enjoying the billiards room which has games such as pool and shuffleboard.

Strawberry season is now upon us and our baking group will be baking some yummy treats such as strawberry loaves, muffins, and jams.

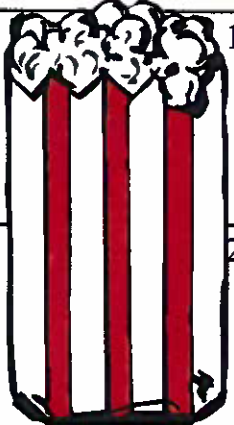

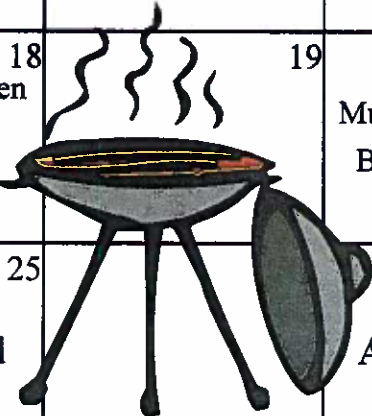

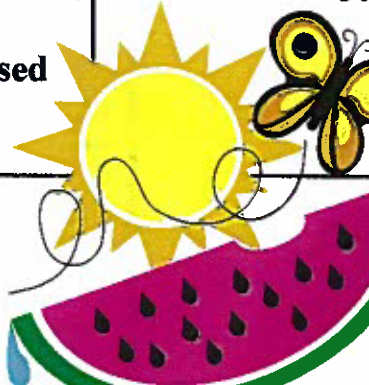

The Adult Day Program will be closed in July for the week of 25th through to the 29th and re-opening Wednesday August 3rd . Summer is a time for sun, fun and vacations and we hope everyone gets to experience a bit of this in July, therefore, we wish everyone a sunny July.
