## TRINITY VILLAGE STUDIOS DECLARED OUTBREAK

All residents are being closely monitored for symptoms of Influenza and COVID-19 and those who have tested positive or are showing symptoms will be asked to isolate for 5 days from symptom onset OR until respiratory symptoms are resolving for 24 hours, whichever comes first.

Currently, we remain in a Confirmed Influenza Outbreak on our 3rd floor until Jan 12th. As of this afternoon the 2nd floor has been placed in a Confirmed COVID-19 Outbreak and is expected to remain in Outbreak until Jan 19th.

INFLUENZA Cases:	Staff: 0	Resident: 1
COVID-19 Cases:	Staff: 0	Resident: 3

### Screening Protocol

- Essential Visitors, one at a time only on the 2nd and 3rd floors
- All Residents screened including temperatures taken twice daily morning and evening
- Staff Rapid Antigen Tested and screened at the beginning and end of shift

### New Resident Admission Protocol – **Currently Suspended**

### Personal Protective Equipment

- Staff and essential visitors are to wear N95 masks, and face shields or goggles when providing care to symptomatic or positive residents please follow the signage on the doors.
- Only staff members who have received their Influenza vaccinations or are taking Tamiflu are permitted to work at this time.
