The Harvest Season

September – marks the 51st anniversary of the Trinity Village community. We are so grateful for all the staff and residents since 1972.

We celebrate Labor Day, the start of the harvest months, the fall equinox, the beginning of a new school year, and our annual fundraising event, “Grand Parade” on September 16th, more information on Page 2. We look forward to celebrating this community social event.

PLEASE NOTE: “ With the upcoming respiratory season slowly approaching, we want to remind everyone that our best defense in keeping healthy is frequent hand washing! Please ensure you take every opportunity to clean your hands with sanitizer or soap and water at a sink.

STAY SAFE and enjoy the beautiful fall outdoor weather and colours.

Enjoy the great weather, get outdoors, explore the Community Gardens, and be still, quiet and ponder the future.

Respectfully yours,
Debby Riepert, COO, LHKW

Adult Day Program

ADP clients were thrilled to learn about the history and enjoyed sampling homemade crepes last month! ADP clients enjoyed this program so much that we are doing it again this month!

Crêpes are very thin pancakes. They can be served with a wide variety of sweet and savory fillings and toppings. The breakfast staple dates back to at least 13th-century France. Some also like to enjoy it as a dessert.

If you smell something yummy in front of the Gathering Place, don't hesitate to pop in for a taste!

Make sure to keep an eye out for our Social Calendar online at www.TrinityVillage.com for all the great happenings going on at Trinity Village Adult Day Program.

Horticulture Corner

Summerfest & the bees

On Wednesday Aug 24th, as part of the Trinity Village Summer Festival, the Horticulture Team and the Beeden Honey Team set up the Beeden Honey Kiosk for the community in the chapel and demonstrated our honey extraction process. We were amazed with the turnout and the interest even though it was pouring with rain. We enjoyed the visit of Member of Parliament, Valerie Bradford, and her assistant, Cassandra. The Local Member of Parliament is very much involved with the granting of Canada Summer Jobs which invests heavily in our Summer Horticulture Team and has done so every year since 2017. We greatly appreciate our MP's interest and investment in the horticulture work for all of us here at Trinity Village.

In case you missed it look for the kiosk again at the Grand Parade on September 16th, weather permitting. We will also be officially opening our new permeable pathway through the Community Garden during the Grand Parade.

Our BEEDEN team is excited to announce that our Honey sales will begin on November 1st! Keep an eye out for more information coming out soon!
