

Trinity Village Putting Green

Out in the Community Garden, under the shade of the mulberry tree, you can continue perfecting your golf game.

Come on out to the community garden to our very verdant putting green. You will find it tucked around the corner from Oak Ridge under the shade of the Mulberry Tree. No need to bring your own irons. You will find irons and everything you need to “putter” around for hours back there. It’s all in the storage box on Oak Ridge’s back patio. Borrow it and put it back in the same condition – that’s all we ask. And if you run into any concerns, please address them with either a horticulture staff or the TVCC front desk reception. Enjoy the game and the day!!
