

Cricut Instructor(s)

We are actively looking for 1-2 volunteers to join our volunteer team as Cricut Instructors. Volunteers will assist in the creation of various crafts using the Cricut equipment independently or in group settings with residents and/or care partners. The Cricut Instructor volunteer(s) will be responsible for organizing and leading Cricut activities, providing instruction and assistance as needed, and ensuring a safe and enjoyable environment for all participants.

Trinity Village aims to enhance our program offerings, provide new experiences to our residents/clients as well as a sense of purpose for those involved in creating different crafts for display or to sell on our online web store.

Some sample craft ideas are vinyl decals, buttons, wall art, mugs, greeting cards, seasonal crafts as well as other ideas the group might have.

Cricut equipment and supplies will be provided.

If you are interested in volunteering your time and skills to help, bring joy and creativity to our seniors, please contact Maria Menounos, Program Manager mmenounos@trinityvillage.com or call 519-893-6320 ext 245.
