

Cosmetology Volunteer Opportunity

We are currently looking for a Cosmetology Volunteer to help brighten the days of our residents through light makeup application, wellness support, and meaningful social interaction.

This volunteer opportunity is perfect for someone who enjoys working with older adults, has a passion for cosmetology and wellness, and wants to make a positive impact in a caring community environment.

Volunteer responsibilities may include:

- Light makeup application
- Providing companionship and conversation during appointments
- Supporting residents in feeling pampered and confident

Flexible scheduling is available

If you or someone you know may be interested, please contact us for more information. We would love to welcome compassionate and creative volunteers to our team!
